Leaves of absence are granted Representatives Gray, Green, Grimmer, Holmes, Miller, and Wilmoth for today.

The Speaker declares a quorum present.

On motion of Representative Jack Hunt, the permanent rules of the 1991 Regular Session of the House of Representatives are adopted as permanent rules of the 1991 Extra Session.

The Reading Clerk reads the following Proclamation by the Governor:

PROCLAMATION BY THE GOVERNOR

"I. REDISTRICTING:

"The North Carolina Constitution, Article II, Section 3, requires that the 'General Assembly, at the first regular session convening after the return of every decennial census of population taken by order of Congress, shall revise the Senate districts and the apportionment of Senators among those districts...'

"Pursuant to the foregoing requirement, the 1991 General Assembly enacted Chapter 676 of the 1991 Sessions Laws setting forth Senate districts and the apportionment of Senators among those districts.

"The North Carolina Constitution, Article II, Section 5, requires that the 'General Assembly, at the first regular session convening after the return of every decennial census of population taken by order of Congress, shall revise the representative districts and the apportionment of Representatives among those districts...'

"Pursuant to the foregoing requirement, the 1991 General Assembly enacted Chapter 675 of the 1991 Session Laws setting forth Representative districts and the apportionment of Representatives among those districts.

"The Constitution of the United States, Article I,§ 2, as amended by Amendment XIV, provides that members of the United States House of Representatives shall be apportioned among the several states according to their respective numbers as determined every ten years in such manner as the Congress shall by law direct.

"Pursuant to the foregoing requirement, a census was taken in 1990 and as a result thereof the State of North Carolina is entitled to twelve members of Congress for the period of the next ten years. North Carolina law provides that the North Carolina General Assembly apportion members of the United States House of Representatives among the districts established by the General Assembly. Pursuant to said requirements, the 1991 General Assembly enacted Chapter 601 and Section 33 of Chapter 761 of the 1991 Session Laws to provide for the increase from eleven to twelve congressional districts and the 1991 redistricting plan for the congressional districts of North Carolina.

"As required by Section 5 of the Voting Rights Act of 1965, as amended, 42 U.S.C. 1973c, the redistricting plans for the North Carolina Senate, North Carolina House of Representatives and the United States House of Representatives were submitted to the United States Department of Justice for preclearance.

"On December 18, 1991, the United States Department of Justice notified the State of North Carolina by letter signed by John R. Dunne,

Assistant Attorney General, Civil Rights Division, that the submitted plans do not conform to federal law and tendered objections to the North Carolina State House, Senate and Congressional plans stating that one additional predominantly minority congressional district could have been created; that at least three additional minority districts could have been created for the State House, and that at least one additional minority district could have been created for the State Senate. The letter further referred to specific counties or geographic areas of the state in which those districts could have been created. The findings of the United States Department of Justice as set forth in the letter from John R. Dunne dated December 18, 1991, are incorporated herein by reference and I find that additional minority districts can be created in order that election opportunities for minority citizens residing in those counties specified in findings of the Department of Justice may be enhanced.

"II. DATE FOR FILING NOTICE OF CANDIDACY:

"Filing for election to state offices and the United States Congress commences pursuant to N.C.G.S. § 163–106(c), at 12:00 noon on the first Monday of January, (January 6, 1992), and terminates at 12:00 noon on the first Monday in February (February 3, 1992). It appears that the General Assembly of North Carolina may not be able to convene and develop redistricting plans for the North Carolina State House, Senate and Congressional districts within a time reasonable for potential candidates to select knowledgeably the offices for which they may desire to offer themselves considering the current statutory filing period. Therefore, I am of the opinion that there is an immediate necessity to amend current law to change the time period within which potential candidates must file for elective office.

"I find that there is a need to convene the North Carolina General Assembly in an extra session in order that it may amend the statutory provisions providing for the time within which potential candidates must file for office, and to fulfill its constitutional duties of redistricting and reapportionment consistent with the Voting Rights Act of 1965, as amended.

"III. ECONOMY AND EMPLOYMENT SECURITY TAX SURCHARGE:

"Although North Carolina's economy has shown modest but steady growth out of the current recession, the growth rate continues to be less than was expected at this time. Because of that slow growth and the inability of North Carolina and other states to fully recover from the economic downturn of the past year, employees and employers continue to struggle with personal and business financial affairs.

"North Carolina's unemployment insurance trust fund was severely tested by the recessions of 1975 and 1982 causing the General Assembly in 1983 to enact legislation amending the Employment Security Law to replenish and bolster the funds held in reserve to withstand another severe economic downturn. In 1987 the law was further amended so as to reach a projected trust fund balance of $1.8 billion by 1991 when only $1.2 billion to $1.4 billion would be needed for the fund to be

solvent. The federal trust fund has now reached $1.35 billion and the reserve fund now contains $193 million. Thus, these funds have exceeded all projections and have exceeded the solvency level established for the payment of unemployment insurance benefits.

"Thus, I am of the opinion that immediate consideration must be given to amendments to Chapter 96 of the North Carolina General Statutes, and particularly §§ 96-5 and 96-9, to repeal the 20% employment security tax surcharge that was enacted in 1987. In doing so, employers in North Carolina would be relieved of approximately $50 million to $60 million per year of unnecessary taxes thereby further stimulating the economy and granting to employers an opportunity to use those funds for current expenses, maintaining employment opportunities and expansion.

"IV. DECLARATIONS:

"As required by Article III, Section 5 (7) of the Constitution, I have sought and received the advice of the Council of State concerning the need to call the General Assembly into extra session to address redistricting, the time for filing as a candidate for public office and repeal of the employment security tax surcharge and received from them their advice that it is appropriate for the General Assembly to be convened into extra session as provided in Article III, Section 5 (7) of the Constitution for those purposes. I have also discussed the matter with the Lieutenant Governor, the Speaker of the House of Representatives and the President Pro Tempore of the Senate. They are of the same view.

"**ACCORDINGLY**, pursuant to the authority granted to me by Article III, Section 5 (7) of the Constitution of North Carolina, I find that the circumstances stated above constitute an "extraordinary occasion" within the meaning of Article III, Section 5 (7) of the Constitution of North Carolina and **PROCLAIM** that the General Assembly is hereby convened in extra session for the purpose of considering legislation (1) amending section 163-106(c) of the North Carolina General Statutes, (2) amending the 1991 Session Laws, Chapter 601, 'An Act to Divide North Carolina Into Twelve Congressional Districts,' and Chapter 675, 'An Act to Establish House of Representatives Districts and to Apportion Seats of the House of Representatives Among Districts,' and Chapter 676, 'An Act to Establish Senatorial Districts and to Apportion Seats in the Senate Among Districts,' and Section 33 of Chapter 761, 'An Act to Make Technical Corrections and Other Changes to the Law,' and (3) amending Chapter 96 of the North Carolina General Statutes as necessary to repeal the employment security tax surcharge imposed in 1987.

"This extra session to consider these matters shall begin the morning of December 30, 1991, at 10:00 o'clock, and shall continue as provided by law and the respective rules of the Senate and House of Representatives until both houses shall have adjourned such extra session sine die.

"Done at Raleigh, Wake County, North Carolina, this 20th day of December, 1991."

S/ James G. Martin

APPENDIX

EXTRA SESSION 1991

PRAYER OFFERED IN THE HOUSE OF REPRESENTATIVES EXTRA SESSION 1991

by

James W. McGinnis

House Chaplain

January 13, 1992

Eternal God, Creator, and Sustainer of each one of us, help us to be mindful of and thankful for our daily, numerous blessings from Thee throughout the New Year.

O God, upon this extra session of this honorable body, may each Representative grasp anew the seriousness of the times in which we live in the State, in the Nation, and in the World Community, and look to You for wisdom, guidance, and leadership in resolving personal as well as governmental problems.

We humbly pray. Amen.

January 14, 1992

Eternal God, who alone gavest us the breath of life, and alone canst keep alive in us the holy desires Thou dost impart; we beseech Thee, for Thy compassion's sake, to sanctify all our thoughts and endeavours; that we may neither begin an action without a pure intention nor continue it without Thy blessing. And grant that, having the eyes of the mind opened to behold things invisible and unseen, this legislative body may in heart be inspired by Thy wisdom, and in work be upheld by Thy strength, and in the end be accepted of Thee as Thy faithful legislators.

O God, with so many people sick, we pray for Thy healing power upon them and all who labor in mercy.

We humbly pray. Amen.

January 22, 1992

O Thou Who art the author of peace and the lover of concord, we give Thee thanks for all previous accomplishments, and express our ongoing need of Your guidance and leadership that we may boldly and creatively, as good stewards, discuss and pass those bills which improve the quality of life for all citizens and enrich our democratic heritage. Under Your guidance, along with concerned, dedicated, and able legislators, we face the future with confidence.

Blessed God, we acknowledge the homegoing of Mrs. Carolyn Thompson, the beloved wife of Representative Raymond M. Thompson, Sr. and we extend our love and prayers to him, his family, and friends.

We humbly pray. Amen.

January 23, 1992

Eternal and ever-living God, Who makest the sun to shine and the rain to fall upon the just and the unjust, we lift our hearts and minds to Thee in gratitude for these and all legislators who are sensitive to these difficult social and economic times and are striving to make a better life for those persons in increasing unemployment lines as well as those who live in fear of losing their jobs. For the insight and courage of this honorable body speaking with one voice in charting a course for recovery on a previous day, we are thankful.

Gracious God, for the issues of this day, may they be resolved in accord with Your will and therefore be useful to all the people.

We humbly pray. Amen.

January 24, 1992

Almighty God, we thank Thee that daily work is intended by Thee as a blessing and not as a burden or as a punishment. We are grateful that the nail driven straight and true, the furrow well turned, the study honestly engaged, the chore faithfully completed, the day's business properly done, all worship You in the integrity of necessary activities completed.

Guide us O God each day and accept the dedication of our hearts and the labor of our hands.

Help us to be alert and safe drivers as we enjoy the wonderful highways of the nation.

We humbly pray. Amen.

February 3, 1992

Almighty and eternal God, we thank Thee for Thy mercies, for the safety and rest of the night, and for the hopes and the duties of the day. We cannot know what the day will bring, but we know that it will bring most surely Thy love and grace for Thy people, and continual opportunities of doing Thy will and giving ourselves up to Your use.

May all our individual and corporate labors be in accord with Your will, and thereby promote Your kingdom of love on earth among all the people.

We humbly pray. Amen.

HOUSE JOURNAL

SECOND SESSION 1992

ONE HUNDRED SEVENTH DAY

HOUSE OF REPRESENTATIVES
Tuesday, May 26, 1992

The House meets at 12:00 Noon pursuant to adjournment and is called to order by the Speaker.

Prayer is offered by the Reverend James W. McGinnis, House Chaplain.

Representative Jack Hunt, for the Committee on Rules, Appointments and Calendar reports the Journal of July 16, 1991, has been examined and found correct. Upon his motion, the Journal is approved as written by electronic vote (99–0).

Leaves of absence are granted Representatives Barbee, Beall, Diamont, Fletcher, Grimmer, Jeralds, and Tallent for today.

SPEAKER'S REMARKS

"Before we get on to the Calendar before us today, I want to take a couple of minutes to welcome all of you back to Raleigh for this 1992 Short Session.

"We reconvene after working long hours last summer....two a day budget meetings, heated debates, and in many cases close votes.

"We reconvene as one of five states in this nation not facing a budget crisis.

"Whether you think we did the right thing or not last summer, surely you all share with me the pride that our State is on sound financial footing, one of only two states east of the Mississippi that can say so.

"I appreciated your hard work last summer and more importantly the people of North Carolina appreciated it too. We owe them that same hard work and dedication this summer and I know we won't let them down.

"We did solve the biggest budget crisis in our State's history last year, but that doesn't mean we have a huge surplus to use to reduce the tax burden or to fund major new initiatives. Rather we must use this summer to continue to set priorities with our limited dollars.

"Clearly we must put our children at the top of the list. I hope this Body will find the courage to allocate many of our scarce resources to help ensure that all of our State's children have access the same basic education, regardless of where they live or attend school.

"I hope this Body can find the will to use some of our scarce resources to help reduce infant mortality and prevent child abuse.

"And I hope this Body can find the resources to give our teachers and State workers the pay raise they deserve, a pay raise focused on helping those hardest hit by inflation and rising health care costs, the workers at the bottom of the pay scale.

"I hope we can muster the same political will that last summer solved our budget crisis so that this summer we can spend our resources wisely and improve the lives of the people who sent every one of us here.

"That's what they want....a sound budget, improvement in their schools, and a renewed effort to protect their children.

"They also want to see if we will respond to a tragedy that claimed 25 lives last fall in Hamlet. They want to see if we can muster that political will to pass a reasonable workplace safety package....a consensus package worked out by legislators, labor leaders, and the business community. We must not leave Raleigh this summer without responding, without sending a message that we care about the working people in this State.

"And finally we must be vigilant about protecting the soundness in this budget that we all worked so hard to re-establish. If your family doesn't have enough money to buy a car and a stereo and furniture and a boat, you don't charge all those things if you can't see a way to make the monthly payments. If you borrow money, you must be able to pay it back. If you take out a loan, you must be able to make the payments. Simply hoping your income will increase isn't good enough for your family and it shouldn't be good enough for us either. We must be sure before we borrow money that we can afford to pay it back. We must keep smoke and mirrors out of this budget. And we will.

"I didn't mean to give a speech here today, but I did want to share those thoughts with you. And I'll share one more. This is an election year, no reason not to talk about it. A lot of us are running for re-election, some for election to other offices. Let's work hard this summer to leave the campaign speeches until after the session. We will have honest, partisan disagreements this session. That's why we're here after all, to debate honestly and fairly, the policies of this State.

"That's what the people expect us to do. So let's do it. Let's pass a budget that improves our schools, protects our children, and gives our lowest paid employees a raise. And let's protect our workers. And then let's go home. I look forward to working with you all again this summer during this short session."

It is my view, and I have stated this on this floor, that state government has essentially five functions which define its responsibilities and its limitations.

"The first function is to protect the citizens. Under this category falls law enforcement, the prison system and the criminal and civil justice systems. Second is development and maintenance of our

infrastructure. Under this category are our highway system, our ports and certain other specialized projects such as the air cargo complex. Third are human resource needs which include our state hospitals and social services. Fourth is protection and maintenance of our environment. And last, but foremost for our state's future, is public education which includes the public school system, the university system and the community college system.

"Over the years the state has funded many projects and endeavors that fall outside the scope of these essential governmental functions. It is my view that each such project should be critically reviewed and the funding for each terminated unless the project directly serves one of the enumerated essential governmental functions. The project or program must be essential to and an integral part of one of the essential governmental functions before it is worthy for state funding. Such non-essential spending not only exceeds what state government is meant to do, but it also reduces our ability to accomplish the proper goals of state government by expending precious resources that could be used elsewhere.

"Another prominent area of concern about which I have spoken on many occasions is our continued insensitivity to private enterprise as reflected in the handicaps placed upon the state's businesses. Americans are the finest entrepreneurs and businessmen in the world but as all levels of government continue to heap more and more regulations upon private enterprise, we are slowly, but surely, becoming less competitive in relation to the rest of the world. No one thing that we have done during my term in office has made North Carolina businesses uncompetitive with our neighbors; however, the steady stream of this regulation on top of that regulation, of this tax on top of that tax, has in some cases made our businesses uncompetitive. With each passing session this problem is compounded.

"Within the context of the foregoing general comments I want to speak more specifically about the most important modern challenge among all of government's functions. That is the challenge of how best to educate our children within a public education system. On one matter we can all agree, and that is that a good education is the basis of a satisfying and productive life. A good education provides not only the foundation for functioning within our modern society, but also, the means for the qualitative things in life that provide enjoyment and enlightenment.

"I propose three fundamental changes to our public education system in addition to the increased local and school-based decision making that we have debated this session. I believe that our citizenry supports each of these three proposals.

"The first proposal is to do away with tenure for all public school employees. It is not an overstatement to say that significant improvement in our public education system cannot happen so long as teachers and administrators can hide unacceptable performance behind tenure. Tenure protects mediocrity and encourages lackluster performance. To reach career status one has only to avoid major controversy and be at least mediocre for three years. Thereafter one can continue within

the system until retirement merely by doing an inferior, but not horrible job. Good teachers and administrators do not need tenure. Poor ones should not have it!

"The second proposal for a better public education system is to provide financial incentive for excellence in teaching. Differentiated pay for teachers is an absolutely essential step in improving our children's education. Our society's systems are predicated on conferring reward for performance. Any system that pays its best performers exactly the same as its poorest performers is destined for failure!

"On this issue the question always arises, can a system of differentiated pay be crafted that is perfect in every way and guarantees absolute fairness to every employee every time? No. However, a fair and workable system with adequate safeguards can be. In order to adopt this proposal the legislature must shift its focus directly and primarily to our childrens' educations and away from the special interest groups that work to obstruct any meaningful change.

"The third proposal to improve our public education system recognizes that a large segment of our population has no reasonable anticipation of ever receiving the full benefit of North Carolina's entire education system. That is to say that many of our citizens are not capable of receiving a college education due to financial constraints. While it is a given in this day and time that the most productive and rewarding employment opportunities require a college degree, it is also a given that most of our disadvantaged youth grow up believing that they will never have the opportunity for a college education and, therefore, will be barred from the best jobs.

"So long as a large segment of our youth grows up believing that it will not possess the keys to success, there will be hopelessness that will contribute to society's ills rather than contributing to make society better. By providing all citizens the right to attend college, we will not only provide additional college graduates to private enterprise, but we will also provide all North Carolinians with the hope they need to be motivated to perform in the classroom from the day they first enter kindergarten.

"I have proposed that North Carolina adopt a 'Taylor Plan' type of program that absolutely guarantees all North Carolinians the opportunity to attend college regardless of their ability to pay for that privilege. I hope that you will pass it in 1993 so that all North Carolinians will have hope for a bright future.

"I will close by commenting on one of society's and government's other critical problems, that being our inability to improve relations among the races. The question here is, 'what can government do about it?' During my legislative career I have voted for bills that create set–aside programs or goals for minority participation in government contracts. After serious consideration I now believe those positions to be flawed.

"It is my view that so long as we regard each other as a white North Carolinian or a black North Carolinian we perpetuate the divisions

between us. On this House floor I have heard many debates with the unspoken question being a choice between 'our' program versus 'their' program. It is my firm view that labeling programs as 'minority programs' contributes to the racial tensions that we have rather than solving them. Affirmative action based on race should be permanently abolished and replaced with affirmative action based on social and economic disadvantage. North Carolinians and Americans will never truly come together free of racial prejudice and we will never solve the problems of our needy, black or white, so long as our government makes distinctions based on race.

"Colleagues, it has been a wonderful experience serving with you for these past eight years. I hope that I have in some small way contributed to the betterment of our state. I look forward to a return to full–time private life and the ability that it will give me to step back and view government and the political process without the bias of being immediately involved. As a soon to be private citizen I wish you all the best for yourselves personally and for the work you are to do for the citizens for our great state."

Sec. 6. G.S. 130A-309.04 reads as rewritten:

"**§ 130A-309.04. State solid waste management policy and goals.**

(a) It is the policy of the State to promote methods of solid waste management that are alternatives to disposal in landfills and to assist units of local government with solid waste management. In furtherance of this State policy, there is established a hierarchy of methods of managing solid waste, in descending order of preference:

(1) Waste reduction at the source;
(2) Recycling and reuse;
(3) Composting;
(4) Incineration with energy production;
(5) Incineration for volume reduction;
(6) Disposal in landfills.

(b) It is the policy of the State to encourage research into innovative solid waste management methods and products and to encourage regional solid waste management projects.

(c) It is the goal of this State to reduce the municipal solid waste ~~stream~~ stream, primarily through source reduction, reuse, recycling, and composting, on a per capita basis, on the following schedule:

(1) Twenty-five percent (25%) by 30 June 1993.
(2) Forty percent (40%) by 30 June 2001.

(c1) To measure progress toward the municipal solid waste reduction goals in a given year, comparison shall be made between the amount by weight of the municipal solid waste that, during the baseline year and the given year, is received at municipal solid waste management facilities and is:

(1) Disposed of in a landfill;
(2) Incinerated;
(3) Converted to tire-derived fuel; or
(4) Converted to refuse-derived fuel.

(c2) Comparison shall be between baseline and given years beginning on 1 July and ending on 30 June of the following year. The baseline year shall be the year beginning 1 July 1991 and ending 30 June 1992. However, a unit of local government may use an earlier baseline year if it demonstrates to the satisfaction of the Department that it has sufficient data to support the use of the earlier baseline year.

(c3) If a unit of local government is unable to meet the municipal solid waste reduction goal established in subdivision (2) of subsection (c) of this section and if the unit of local government demonstrates to the satisfaction of the Department that it has considered all reasonably available options to reduce its municipal solid waste stream through source reduction, reuse, recycling, and composting and that it has made a good faith effort and done everything technologically and economically feasible to meet the goal, for the purpose of calculating progress of the unit of local government toward the goal, ten percent (10%) of the amount by weight of the municipal solid waste stream that is converted to tire-derived fuel or refuse-derived fuel may be added to the amount that is diverted from the municipal solid waste stream through source reduction, reuse, recycling, and composting.

(d) In furtherance of the State's solid waste management policy, each State agency shall develop a solid waste management plan which is consistent with the solid waste management policy of the State.

(e) Each county, either individually or in cooperation with others, shall, in cooperation with its municipalities, develop a comprehensive county solid waste management plan and submit the plan to the Department for approval. County solid waste management plans shall be updated and submitted for approval at least once every two years. A county solid waste management plan shall be consistent with the State's comprehensive solid waste plan. In counties where a municipality operates the major solid waste disposal facility, the comprehensive solid waste plan may be prepared by the municipality, with the approval of the county and in cooperation with the other municipalities. Each county's comprehensive solid waste management plan shall include provisions which address the State's waste reduction goals. Each county's plan shall take into consideration facilities and other resources for management of solid waste which may be available through private enterprise. This section shall be construed to encourage the involvement and participation of private enterprise in solid waste management. The Department shall develop a form designed to elicit pertinent information regarding a county's solid waste management plan. The Department shall provide assistance in the preparation of county plans upon request.

(f) Any unit of local government that does not participate in a county solid waste management plan shall prepare a plan in accordance with the provisions of subsection (e) of this section."

Sec. 7. G.S. 130A-290(28a) reads as rewritten:

"(28a) 'Refuse-derived fuel' means ~~a form of~~ fuel ~~derived from a~~ that consists of municipal solid waste ~~by a processing system in~~ from which recyclable and noncombustible materials are removed ~~and~~ so that the remaining ~~combustible~~ material is ~~converted for use as a fuel.~~ used for energy production."

Sec. 8. Any contract for solid waste collection or disposal entered into by any county, city, or town that would have been lawful if this act had been in effect at the time the contract was entered into is validated. The provisions of this act that limit a contract or franchise for the collection and disposal of solid waste to a period of not more than 30 years shall not be construed to invalidate any contract or franchise for a longer period up to 60 years that was entered into by any county, city, or town prior to the date this act is effective.

Sec. 9. G.S. 153A-136(c), as enacted by Section 1 of this act, and G.S. 160A-325(a), as enacted by Section 3 of this act, shall not apply to the selection or approval of a site for a new sanitary landfill if, prior to the effective date of this act:

(1) The site was selected or approved by the board of commissioners of a county or the governing board of a city;

(2) A public hearing on the selection or approval of the site has been held;

(3) A long-term contract was approved by the Department of Environment, Health, and Natural Resources under Part 4 of Article 15 of Chapter 153A of the General Statutes; or

(4) An application for a permit for a sanitary landfill to be located on the site has been submitted to the Department of Environment, Health, and Natural Resources.

Sec. 10. This act is effective upon ratification.

REMARKS BY REPRESENTATIVE C. P. STEWART

"It is indeed a high honor and a rare privilege for me to sponsor this Memorializing Resolution. Carson Gregory was my long time, loyal and trusted friend.

"His mission in life was established early. His principles and priorities were those of a wise and dedicated man. Carson was a man of many great capacities.

"In his natural setting of earning a living from the good earth, his first concerns were his Master, his country and his family.

"Carson's next love was his unwavering desire to produce superior quality farm products. In his prime years he was the leading producer of registered Poland China Swine in North Carolina. Carson received national recognition for his outstanding contribution to improving the swine industry.

"Many of you in my generation will remember how Carson laid claim to most of the blue ribbons for Poland China Swine exhibited at the North Carolina State Fair.

"Our Commissioner of Agriculture, The Honorable Jim Graham, would welcome the opportunity to participate in this ceremony. Commissioner Graham's family and Carson's family were close personal friends.

"Commissioner Graham said, 'Farmers, agricultural research and all facets of the agricultural industry, have never had a better friend than Carson Gregory'. Our Commissioner gives Carson full credit for planting the seed and getting efforts started to establish the School of Veterinary Medicine at North Carolina State University.

"Community affairs and church were always important to Carson and ranked at the top of his priorities. Carson was an unusual leader because he unselfishly joined in to help complete the task at hand. His generous and humble involvement was his way of leading and motivating others to become involved.

"In the political arena, Carson was the envy of many, as he was always able to relate to people at all levels and in every walk of life.

"Carson's greatest attribute was his integrity, which came from his childlike devotion to the principles of honesty and sincerity. His concern for his fellowman was in direct proportion to their individual needs and desires.

"Carson was a strong supporter of our armed forces. He advocated a strong national defense. Carson wanted to honor our service men and women on every occasion and he was the prime mover in establishing 'Veterans Day' as a holiday for our school children.

"A memorable quote made by a great American, Will Rogers, 'I never saw a man I didn't like', very well could have been a memorable quote by Carson Gregory. Another great American, The Honorable Happy Chandler, Governor of the Commonwealth of Kentucky, made a memorable statement to his people as he addressed them at a banquet. Governor Chandler said to them, 'I am your man and you are my people'.

"Carson truly was our man and we were his people."

PRAYER OFFERED IN THE HOUSE OF REPRESENTATIVES SECOND SESSION 1992

by

James W. McGinnis

House Chaplain

and Visiting Ministers

Tuesday, May 26, 1992

Gracious God, this is the first day of a very significant Session of the House of Representatives so let us rejoice and be glad!

O Thou who alone gavest us the breath of life, and alone canst keep alive in us the holy desires Thou dost impart; we beseech Thee, for Thy compassion's sake, to sanctify all our thoughts and endeavours; that we may neither begin an action without a pure intention nor continue it without Thy blessing. And grant that, having the eyes of the mind opened to behold things invisible and unseen, we may in heart be inspired by Thy wisdom, and in work be upheld by Thy strength, and in the end be accepted of Thee as Thy faithful Legislators.

We humbly pray. Amen.

Wednesday, May 27, 1992

Eternal God, who hast blessed this great State in numerous ways, endow these Representatives with insight, courage, and perseverance that they may be the stewards You would have them to be, and thus be a blessing to all the people.

O God, our help in ages past and our hope for years to come, help us to remember and to be thankful for the joy of living in a State which has a tradition and a firm foundation of "good government and fiscal responsibility". Truly the pressures on this Legislative body are persistent and possibly tempting, nevertheless, there is the need to represent ones constituents and above all to remember that each one is both accountable and responsible to the Almighty for his/her motions, votes, and stewardship of life.

With the assurance of Your guidance and our commitment to be faithful stewards, we will courageously focus upon the most urgent needs as well as those of a lower priority.

We humbly pray. Amen.

Thursday, May 28, 1992

Gracious God, we thank Thee that daily work is intended by Thee as a blessing and not as a burden or as a punishment. We are grateful that the nail driven straight and true, the furrow well turned, the study honestly engaged, the chore faithfully completed, the day's business properly done, all worship You in the integrity of necessary activities completed.

O God, guide us each day and accept the dedication of our hearts and the labor of our hands.

As we travel on the wonderful highways of the nation, help us to be alert and safe drivers.

We humbly pray. Amen.

Monday, June 1, 1992

Ever-living God, Who causest the sun and moon to shine and the rain and snow to fall upon the just and the unjust, prosper every good work undertaken by this House of Representatives according to Thy will, and give unto all of us, Thy servants, the spirit of Him Who came not to be ministered unto but to minister, and whose joy it was to do Thy will in helping people of all ages.

Blessed God, from the weekend of rest and relaxation with family and friends, the spiritual renewal from congregational worship services, and a safe return to legislative responsibilities, we are truly thankful.

We humbly pray. Amen.

Tuesday, June 2, 1992

O God, Who rulest over Thy people with Fatherly love, continue and increase the Spirit of concern, care, and wisdom to all who have received from Thee and the people authority of government. We are in the "people business" to help each person be all he or she can be, according to Your holy will, and at the same time we are charged with being good stewards of the peoples' trust.

We give thanks, O God, for each member of this august body, all the Committee chairpersons and members, the Speaker and his patient and persevering leadership, and all the support staff which make things work.

O God, we thank You for the diversity of talents, abilities, skills, and experiences as well as for the common dedication and determination of these Representatives to bring more of the better life to all the people. United in this common goal, we can anticipate increasing joys for Your people.

We humbly pray. Amen.

Wednesday, June 3, 1992

Blessed God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; grant us, in all our doubts and uncertainties, the grace to ask what Thou wouldest have us to do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

Gracious God, we pray that Your healing powers may be present with United States Senator Jesse Helms, Congressman Bill Hefner, and all others who are in need.

We humbly pray. Amen.

Thursday, June 4, 1992

Eternal and ever-living God, vouchsafe, we beseech Thee, to direct, sanctify, and govern, both our hearts and bodies, in the ways of Thy laws, and in the works of Thy commandments; that, through Thy most mighty protection, both here and ever, we may be preserved in body and soul.

For all the evidence of Your guidance and wisdom in this Session to date and the assurance that the same and more is available to everyone who calls upon You in truth, we give Thee thanks.

We humbly pray. Amen.

Friday, June 5, 1992

Gracious God, in love You spread good gifts before us, more than we need or deserve. You feed, heal, teach, and save us. We confess that

we always want more; that we never share as freely as You give. Sometimes we resent what we lack, and are jealous of neighbors.

We misuse what You intend for joy. God, forgive our stubborn greed, and our destructiveness. In mercy, help us to take such pleasure in Your goodness that we will always be thanking You.

As we travel to and from our homes and visit with constituents, help us to be alert and safe drivers on the highways.

We humbly pray. Amen.

Monday, June 8, 1992

Blessed God, our Creator and Sustainer, we are grateful that You are near to us. As the Psalmist of old said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

Gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

We humbly pray. Amen.

Tuesday, June 9, 1992

O Thou Who causest the sun to shine and the rain to fall upon the just and the unjust; O God, by whom the meek are guided in judgment, and light riseth up in darkness for the godly; Grant us, in all our doubts and uncertainties, the grace to ask what Thou wouldest have us to do, that the Spirit of Wisdom may save us from all false devices, and that in Thy light we may see light, and in Thy straight path may not stumble.

We humbly pray. Amen.

Wednesday, June 10, 1992

Ever-present God, unto Whom all hearts are open, all desires known, and from Whom no secrets are hid; cleanse the thoughts of our minds by filling them with loving-kindness, compassion, and forgiveness. May this Honorable Body have the physical stamina, as well as the wisdom and courage necessary to make the hard decisions - particularly required by a balanced budget.

O God, the days and nights are filled with numerous meetings and the time for rest and relaxation seems to get shorter and shorter, nevertheless, with Your help we will continue to move forward in meeting Legislative responsibilities.

We humbly pray. Amen.

Thursday, June 11, 1992

O God of love and compassion, we recall that You have not promised us a bed of roses in the daily discharge of our duties and responsibilities,

but we have the assurance of Your presence, Your tender-loving care with us during every circumstance of life.

So, we pray that we may know Your will each day and have the courage to implement it for the benefit of our people and our personal growth in public service.

Let the problems and discouragements of these difficult times be viewed as challenges, and with Your guidance and assistance, we will overcome with patience and perseverance.

We humbly pray. Amen.

Friday, June 12, 1992

O Thou Who are the Life of all that lives, the Strength of the weak, and the Hope of those that be cast down, inform our minds with Thy Truth, we beseech Thee, and our hearts with righteousness; strengthen our wills to choose the good and to refuse the evil; help us to bear each other's burdens, to forgive one another's faults, and to forbear with every defect of judgment and of temper in those with whom we live and who daily help us.

As we travel home to our family and return to Legislative responsibilities, help us to be alert and safe drivers as well as an example to other drivers on the highway.

We humbly pray. Amen.

Monday, June 15, 1992

O Thou Who art the same yesterday, today and tomorrow, and Who provides wisdom, guidance, and strength to all who call upon You – to all who call in truth, aware of their needs, and have faith that in You all things can be accomplished, according to Your Holy Will – give us a clearer vision not only of the wonderful people and the natural environment of our State but also the prioritization and funding of people needs and the environment.

Discerning Your Will we pray for courage to speak and promote those bills which enhance the life of our citizens and protect the environment.

We humbly pray. Amen.

Tuesday, June 16, 1992

Ever-present God Who hast revealed Thyself in all ages, and for whom many in this Legislative body know Thou art the Way, the Truth, and the Life. Guide us in Your Way, enlighten us with the Truth, and grant us the courage and perseverance to provide and to support those measures which make for the more abundant life for all the people.

O God, we pray for Your comfort and healing powers upon those members who are not present:

Representative Michael P. Decker
Representative Ray C. Fletcher
Representative Nick Jeralds
Representative Daniel T. Lilley
Representative Edith L. Lutz

We also remember before Thee the families and friends of these fellow Legislators.

We humbly pray. Amen.

Wednesday, June 17, 1992

Creator and God of us all, we recall that to whom much is given of these shall much be required.

Help us, gracious God, to use whatsoever blessings You have given to us in our commitment to be Your faithful stewards and thereby make possible more of the better life for Your people and our constituents.

We humbly pray. Amen.

Thursday, June 18, 1992

Almighty and ever-living God, Who hast made the world and all the people, and Whose concern for all of creation continues every day throughout the year, we thank Thee for this Body of Legislators who are committed to promote peace and prosperity, law and order, and economic, spiritual, and educational development and growth of all ages. This Honorable Body is charged with being a very significant planner, initiator, and provider of those activities, opportunities, and services "which challenge and enable" the citizens to be all they can be which are pleasing to You. Under Your leadership we will be successful.

We humbly pray. Amen.

Friday, June 19, 1992

Most gracious God, the fountain of wisdom, whose statutes are good and gracious and whose law is truth; we beseech Thee so to guide and bless this House of Representatives, that it may ordain for our governance only such things as please Thee.

For the refreshment and nurture of the rains we are thankful.

We humbly pray. Amen.

Monday, June 22, 1992

Eternal God, we thank You for the days with our families and constituents, and a safe return to legislative responsibilities. We lift our hearts in gratitude for all persons who not only challenge and inspire us but also make our lives more interesting, useful, and enjoyable.

Cleanse our thoughts, purify our aspirations, and strengthen our wills on the side of what is right and good and against what is wrong and evil according to Your holy will.

We humbly pray. Amen.

Tuesday, June 23, 1992

O Thou Who causeth the sun and moon to shine and the rain to fall upon the just and the unjust, we lift our hearts in gratitude for the re-

cent showers which have nurtured our lands, the grass, new leaves, and beautiful flowers which convey new natural life which enrich our lives and remind us of our obligation to rightfully protect the natural environment.

With men and women of integrity, blessed with diverse abilities and experiences, and dedicated to resolve various problems on behalf of the people, we pray that each Legislator may have the courage to share and promote those ideas and programs which make for a better life for all the people.

O God, with Your guidance and help and our hard work, we are confident that we can move forward in many areas even in these difficult economic times.

We humbly pray. Amen.

Blessed God, Inspirer, Hearer, and Answerer of prayer, Thou Shepherd and Guardian of the people, we rejoice in the glory of this new day of labor.

May our lives so manifest the love that knows no evil that our prayers shall be no mere form of words, but the expression of souls in love with Thee and intent on helping all our citizens "to be all they can be" in mind, body, spirit, and service.

Grant us a useful day, a productive day towards resolving the issues which lie before us, not for personal gain or profit, but for the glory of Your Holy Name.

We humbly pray. Amen.

Thursday, June 25, 1992

Eternal God, our Creator and Sustainer, we are grateful that You are near to us. As the psalmist said that You are near to all of us who call upon You in truth. With one accord, blessed God, we acknowledge our need for greater wisdom, understanding, and patience; and we confess our limitations of information and expressions of kindness.

Most gracious God, we are thankful that You can supply our every need as well as renew a right spirit within us. Let us not forget that we show our gratitude for all Your daily blessings by the quality of life we live before and among our fellow Legislators.

May Your healing powers continue to be with Representative Lilley, Representative Fletcher, and all others who are in need.

We humbly pray. Amen.

Friday, June 26, 1992

Almighty and eternal God, we thank Thee for Thy mercies, for the safety and rest of the night, and for the hopes and the duties of the day. We cannot know what the day will bring, but we know that it will bring

most surely thy love and grace for Thy people, and continual opportunities of doing Thy will and giving ourselves up to Your use.

May all our individual and corporate labors be in accord with Your will, and thereby promote Your kingdom of love on earth among all the people.

We humbly pray. Amen.

Dr. Dan Griffin, Snyder Memorial Baptist Church, Fayetteville N.C.

O God, shining above us, immanent around us, and living within us, whose law is perfect, whose actions are loving, and whose will for the world is peace: be merciful to these who have the leverage to enact your perfect law, the authority to implement their own loving actions and the chance to contribute to world peace...that they, and *we*, may not stumble in the shadows of rank ambition and thus miss our moment to shine with *Your* light. We pray in the powerful name of Him who radiated Your righteousness for thirty-three straight, earthly years.

Amen.

Monday, July 6, 1992

Gracious God, we thank Thee for a safe return to legislative responsibilities after a wonderful celebration of the Fourth of July when our patriotism has been renewed, our joys have been rekindled, by family and close friends, and our spirits have been nurtured through worship services.

In the latter days of this Short Session help us to remember the words of the poet John G. Whittier who said....

Dear Lord and Father of mankind, Forgive our feverish ways;
Reclothe us in our rightful mind; In purer lives Thy Service find,
In deeper reverence, praise.

Drop Thy still dews of quietness, Till all our strivings cease;
Take from our souls the strain and stress, And let our ordered lives confess
The beauty of Thy peace.

We humbly pray. Amen.

Tuesday, July 7, 1992

Eternal and everliving God, we thank Thee for Thy mercies, for the safety and rest of the night, and for the hopes and the duties of the day. We cannot know what the day will bring, but we know that it will bring most surely Thy love and grace for Thy people, and continual opportunities of doing Thy will and giving ourselves up to Your use.

May all our individual and corporate labors be in accord with Your will, and thereby promote your kingdom of love on earth among all the people.

Wednesday, July 8, 1992

O Sovereign spirit of the universe, supreme in power, ineffable in majesty, Thou only True God of all creation, this is a very special week wherein significant decisions and the passage of major legislation will directly impact upon the lives of persons of all ages as well as upon the family, schools, colleges, universities, health and welfare services, and protection of the environment. Things will not be the same, they can be better!

Rekindle, we pray, the commitments each Legislator has made to You and their constituents, and provide each member the wisdom and courage needed for these days to be a steward who pleases You, brings blessings to the people, and personally experiences the good feeling and joy of a job well done even under difficult and trying circumstances.

We humbly pray. Amen.

Thursday, July 9, 1992

"This is the day which the Lord hath made, let us rejoice and be glad." In the spirit of a prophet long ago we do give thanks for all the labors and progress of this Honorable Body ably assisted by dedicated and competent staff and associates.

O God, give us the patience and wisdom to follow through in the duties and responsibilities at hand.

May the blessings of these days bring joys to many who are in need.

We humbly pray. Amen.

Friday, July 10, 1992

Almighty God, we thank Thee that daily work is intended by Thee as a blessing and not as a burden or as a punishment. We are grateful that the nail driven straight and true, the furrow well turned, the study honestly engaged, the chore faithfully completed, the day's business properly done, all worship You in the integrity of necessary activities completed. Guide us each day and accept the dedication of our hearts and the labor of our minds and hands.

We humbly pray. Amen.

Tuesday, July 14, 1992

Ever-living God, Who hast given us this good land for our heritage; we humbly beseech Thee that we may always prove ourselves a people mindful of Thy favor and glad to do Thy will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord, and confusion; from pride and arrogance, and from

every evil way. Defend our liberties, and fashion into one united people the multitudes brought hither out of many kindreds and tongues. Endue with the spirit of wisdom those to whom in Thy Name we entrust the authority of government, that there may be justice and peace at home, and that, through obedience to Thy law, we may show forth Thy praise among the nations of the earth.

In the time of prosperity, fill our hearts with thankfulness, and in the day of trouble, suffer not our trust in Thee to fail.

We humbly pray. Amen. (George L. Locke)

Gracious God, many of the citizens of North Carolina and many of the Legislators may be saying with the Psalmist, "How long, O Lord, how long"? But let us thank Thee again for the privilege that is ours of serving Thee in this place and in this time and for the assurance that Thou art with us and will guide us.

Truly, Rome was not built in a day and "good government" in North Carolina was not made in a short time but through hard work over the years as we enjoy the blessings of able and dedicated public servants. Guide us in the ongoing process to bring more blessings to all the people and show our stewardship to Thee.

Our prayers and deepest sympathy are with Representative Theresa Esposito and her family on the "home-going" of her Mother.

We humbly pray. Amen.

Thursday, July 16, 1992

Ever-present God, Who hast revealed Thy self in all ages, and for whom many in this legislative body know Thou art the Way, the Truth, and the Life. Guide us in your Way, enlighten us with the Truth, and grant us the courage and perseverance to provide and to support those measures which make for the more abundant life for all the people.

We humbly pray. Amen.

Friday, July 17, 1992

Almighty and ever-living God, Who hast created us for Thy self so that our hearts are restless until they find rest in You, our sympathies have been more than aroused by the unexpected news in recent hours which has greatly shocked, disappointed, and left in disarray so many persons across the nation. To those persons so unhappy and to all of us may we be acutely reminded of particular words from inspired and revealed writings - sacred to many of us - "it is better to put trust in God than to put confidence in man. Where your treasure is, there will your heart be also."

O God, in addition to other matters, we discuss, debate, and deliberate about - employee/employer relations, funding education, protecting the environment, and the maintenance of law and order. Let us be reminded that we are accountable and responsible to You twenty-four hours of every day throughout the year.

In our quest to live the good, full life, we have Your assurance that we are not alone for You are with us in joy and in sorrow. Yes, with Your help and our hard work and perseverance we can and will go forward in the spirit of a beloved hymn which says – "I'll Be What You Want Me To Be."

We humbly pray. Amen.

Monday, July 20, 1992

Almighty God, we thank You for our restful and enjoyable weekend with family and friends and the renewal of our spirits through worship services. We are grateful for a safe trip back to legislative responsibilities and the rains which were greatly needed by many communities.

Guide, us, we pray, that we may creatively discuss and debate the issues and cast our vote remembering our constituents and above all our accountability and responsibility to You.

We humbly pray. Amen.

Tuesday, July 21, 1992

Almighty God, all about us in the natural world, we see Your handiwork which leads us to express our gratitude for so numerous and great blessings.

Blessed God, we express our deep indebtedness to men and women of faith in the scriptures as well as for those persons who more recently lived among us like the Reverend Dr. Harry Emerson Fosdick who addressed times much like today in his prayer...

"We thank thee for our national heritage. For all that is unworthy there, for our selfishness, our pride of wealth, our vanity in prosperity, our forgetfulness that righteousness and liberty must be paid for by sacrifice in every generation, forgive us, O Lord. In these days when evil hands soil the sacred things for which our fathers died, when righteousness is forgotten in high places, when crime betrays the nation and the moral level of our living sinks, forgive us good Lord. But for all that is noble and right, for all that is excellent and of good report, for contributions made to freedom, to democracy, to righteousness, blessed by thy name."

We humbly pray. Amen.

Wednesday, July 22, 1992

Ever–present God, by whose grace we have come to this day when the light at the other end of the tunnel is so much brighter, we give Thee thanks for having guided us through this Short Session when we have passed bills – good bills, better bills, and maybe others. May our stewardship to You be worthy and our labors add numerous blessings to all the people.

Gracious God, help us to continue working for a stronger economy and promote greater efficiency in government in order to make a greater impact on unmet needs and be a worthy steward.

To our dynamic and energetic Speaker, who has kept us on track morning, noon, and night with a twinkle in his eye, and an occasional humorous comment, we are truly thankful.

To a hearty, faithful, persevering, and usually patient legislative body, we are deeply indebted. Your accomplishments have been enhanced by the tireless labors of staff, secretaries, sergeant–of–arms personnel, and many others.

To those members who will not be returning in January '93, we extend our deepest appreciation for all your labors, warm fellowship, and your determination to serve all the citizens of our great State. You will be significantly missed!

May this day and all the days of our life be used for the advancement of God's kingdom of heaven on earth.

We humbly pray. Amen.

Thursday, July 23, 1992

Eternal God, Who causest the sun and moon to shine and the rain, sleet, and snow to fall upon the just and the unjust, prosper every good work undertaken by this House of Representatives according to Thy Will, and give unto all of us, Thy servants, the spirit of Him who came not to be ministered unto but to minister, and whose joy it was to do Thy Will in helping people of all ages and in all circumstances of life.

We humbly pray. Amen.

Friday, July 24, 1992

Almighty and ever–living God, we never cease to marvel at Your wonderous works all about us. The beauty, color, and diversity of nature as well as the unselfish, caring, and loving actions of the members of this House of Representatives attests anew to Your great guiding hand. From the actions of these House members words of the familiar hymn, "Trust And Obey" have taken on added dimensions. "Trust and obey for there is no other way!"

Help us, we pray, to continue to put our trust in You, confidence in one another, and work together enthusiastically for Your glory and the well being of all our citizens.

We humbly pray. Amen.

HOUSE JOURNAL

SECOND SESSION

1992

INDEX GUIDE

Following each bill title, the last action or present status of said bill is indicated. For example, a bill ratified will be followed by its chapter number in the Session Laws. If the bill remains in committee, the name of the committee is so noted. If the bill has passed the House and been sent to the Senate, this is indicated by the word "Senate". If a bill has an identical Senate or House bill, that identical bill number appears in parentheses preceded by "H" or "S". If a bill has "Rule 36" following the final disposition, this means that it was requested not to be considered by the Principal Sponsor.

All bills dealing with funds are indexed under Appropriations Public and Appropriations Local. All local non-appropriation bills are indexed under individual counties.

A list of bills and resolutions introduced by each member is found under the member's name in the index with an asterisk (*) noting the Principal Introducer.
